

**MONTANANS SUPPORT RETURN OF CRIME PREVENTION PROGRAMS:
2007 LAUNCH EVENT IN PLANNING AND **YOUR INPUT IS NEEDED!****

Thank you for participating in our Crime Prevention Survey! We received over forty responses from Law Enforcement around the state of Montana indicating a strong desire to bring Crime Prevention back to Big Sky Country. In an effort to meet this demand, MBCC is currently planning for a POST accredited Montana Crime Prevention launch event.

Survey Results Highlights

1. Do you think your community needs crime prevention programs?
 - Yes: 100%
2. Would you be interested in technical assistance in developing, enhancing your current crime prevention programs in your community?
 - Yes: 100%
3. Are you interested in learning more about the National Crime Prevention Council programs?
 - Yes: 100%
4. Are you interested in hosting a presentation or participating in a steering committee?
 - Yes: 81.2%
 - No: 18.8%
5. What Crime Prevention activities are you most interested in?
 - Crime Prevention sponsored trainings and networking opportunities
 - Links to national resources and trainings
 - Regular communication through newsletters, email or website

Respondents represent:

- 49.1%: Police Departments and Marshal Offices
- 49.1%: Sheriff Departments
- 00.8%: Local, State and other Criminal Justice Agencies

Communities:

- 63.6%: Small town, rural or very rural
- 36.4%: City, or city and rural
